

Mrs. Wiygul 3rd Grade Math

August 15-19

Timed Quiz of 1's facts this

Thursday!

0x1=0	7x1=7
1x1=1	8x1=8
2x1=2	9x1=9
3x1=3	10x1=10
4x1=4	11x1=11
5x1=5	12x1=12
6x1=6	

www.multiplication.com is a great site with games for studying multiplication facts. It also has printable flashcards and quizzes that the computer will grade for you!

There is also a fun free version of the game Timez Attack that can be downloaded from www.funbrainz.com. Students love this game!

Start studying your two's facts for next week's quiz. Students that do not pass this week's quiz will continue to test on 1's. Our weekly quiz will be self-paced. I recommend 10 minutes at least 3x a week.

0x2=0	7x2=14
1x2=2	8x2=16
2x2=4	9x2=18
3x2=6	10x2=20
4x2=8	11x2=22
5x2=10	12x2=24
6x2=12	

Chapter 4 math test this Thursday!

This will cover repeated addition, arrays, and commutative property. Ask your child to explain these skills that they are learning

Homework

Monday, Tuesday, and Thursday (Envision workbook page)
