

Mrs. Wiygul 3rd Grade Math

August 29th- September 2nd

Timed Quiz of 5's facts this Thursday! (If you passed your 2's)

0x5=0	7x5=35
1x5=5	8x5=40
2x5=10	9x5=45
3x5=15	10x5=50
4x5=20	11x5=55
5x5=25	12x5=60
6x5=30	

Students should be able to answer 16 facts in one minute.

*Elementary School pictures are this Thursday, September 1st.

*Please fill out, sign, and return your child's book card.

Start studying your ten's facts for next week's quiz. Our weekly quiz will be self-paced. Students will not move on until they master a fact family. **I recommend studying facts for 10 minutes at least 3x a week.**

0x10=0	7x10=70
1x10=10	8x10=80
2x10=20	9x10=90
3x10=30	10x10=100
4x10=40	11x10=110
5x10=50	12x10=120
6x10=60	

We are continuing our study of multiplication this week. **We will finish chapter 5 and take our chapter test this Wednesday!**

Homework

Monday, Tuesday, and Thursday (Envision workbook page)
