ASBESTOS INSPECTION AND MANAGEMENT PLAN

The Asbestos Inspection and Management Plan for the Itawamba County Schools is on file in the Superintendent's Office and each principal's office and is subject for review.

ASSIGNMENTS

Students who are absent and want their assignments for the day(s) missed must call or contact the school office by 9:30 a.m. on the day of the absence. Students are urged to contact classmates for assignments whenever possible.

ATTENDANCE POLICY

Excused Absences

Each of the following shall constitute a valid excuse for temporary nonattendance of a compulsory-school age child, provided satisfactory evidence of the excuse is provided to the superintendent of the school district or his designee:

- a) An absence is excused when the absence results from the compulsory school age child's attendance at an authorized school activity with the prior approval of the school district or his designee. These activities may include field trips, athletic contests, student conventions, musical festivals and any similar

activity.

- b) An absence is excused when the absence results from illness or injury which prevents the compulsory school age child from being physically able to attend school.
- c) An absence is excused when isolation of a compulsory school age child is ordered by the county health officer, by the State Board of Health or appropriate school official.
- d) An absence is excused when it results from the death or serious illness of a member of the immediate family of a compulsory school age child. The immediate family members of a compulsory school age child shall include children, spouse, grandparents, parents, brothers and sisters, including stepbrothers and stepsisters.
- e) An absence is excused when it results from a medical or dental appointment of a compulsory school age child where an approval of the superintendent of the school district or his designee is gained before the absence, except in the case of emergency.
- f) An absence is excused when it results from the attendance of a compulsory school age child at the proceedings of a court or an administrative tribunal if the child is a party to the action or under subpoena as a witness.
- g) An absence may be excused if the religion to which the compulsory school age child or the child's parents adheres, requires or suggests the observance of a religious event. The approval of the absence is within the discretion of the superintendent of the school district or his designee but approval should be granted unless the religion's observance is of such duration as to interfere with the education of the child.
- h) An absence may be excused when it demonstrated to the satisfaction of the superintendent of the school district or his designee that the purpose of the absence is to take advantage of a valid educational opportunity such as travel, including vacations or other family travel. Approval of the absence must be gained from the superintendent of the school district or his designee before the absence but the approval shall not be unreasonably withheld.
- i) An absence may be excused when it is demonstrated to the satisfaction of the superintendent of the school district or his designee that conditions are sufficient to warrant the compulsory school age child's nonattendance. However, no absences shall be excused by the school district superintendent or his designee when any student suspensions or expulsions circumvent the intent and spirit of the compulsory attendance law. All other absences, including suspensions, will be unexcused.

Documentation

Written documentation of each excused absence must be received within two (2) days of the student's return to school; otherwise, the absence will be considered unexcused.

Each semester, a student may use no more than five (5) parental notes as documentation for excused absences. After five (5) parental notes are received in a semester, the student must provide "official" documentation (for example, documentation by a doctor or court); otherwise, the absence will be considered unexcused.

Making Up Work Missed While Absent

It is the student's responsibility to consult each teacher and make arrangements to complete make-up work upon returning to school. The time allowed for make-up work to be completed will be equal to the number of days a student was absent (i.e., a student who misses two (2) days of school will have two (2) days to complete all work.) Any work not made up during this time will result in a grade of zero (0). Additionally, all work made up as a result of an unexcused absence will result in a grade of no more than 60. If a student is in class when work or a test is assigned, the student will be required to turn in the assignment(s) or take any tests on the first day the student returns to school.

Designee

For purposes of this policy, the Superintendent's designee shall be the Principal of each respective school.

Leaving Campus

All Itawamba County School District's campuses are closed. No student will be permitted to leave campus during school hours without proper checkout through the school office. A student in violation of this policy is subject to disciplinary action beginning with step 4.

Afternoon/Early Dismissal From School

Due to concern for the safety of all students, incoming telephone calls will no longer be accepted to change any child's dismissal transportation plan. If there must be a change, the parent/guardian must either appear at the school office in person to relay the change in transportation plans or send a note to the school. All notes must be in the parent's/guardian's handwriting and should contain a signature and a telephone number where the parent/guardian can be located in the event it is determined that verification should be obtained. In the event of an emergency, exceptions may be made.

Early Dismissal

Parents should contact the school office by 9:00 a.m. if a student is to be dismissed early. Exceptions are to be made only in cases of emergency. The principal will determine if the early dismissal is excused or unexcused. Three (3) unexcused early dismissals will result in one (1) unexcused absence. A student will be recorded as absent from a class if a dismissal requires the student to be absent from a class for 20 minutes or longer.

Exemptions: All students shall complete semester examinations with the following exceptions:

1. No more than three (2) unexcused tardies per semester
2. No more than one (1) reported violation that results in disciplinary action per semester
3. Those students with perfect attendance and at least a 75 percent average in a course/class shall be exempt from the requirement of completing the semester examination for that course/class.
4. Those students with an average of 85 percent or above in a course/class shall be exempt from the requirement of completing the semester examination for that course/class. These students can have three (3) excused absences.
5. Those students with an average of 95 percent or above in a course/class shall be exempt from the requirement of completing the semester examination for that course/class. These students can have five (5) excused absences.
6. A student exempted from a semester examination under any of the above wishing to attempt to improve his/her grade may take the semester examination. No reduction in grade point average will be made due to an attempt of a semester examination.
7. ISS or OSS cannot be exempt.

Activity

An activity shall be any scheduled class or meeting which a student an ICSD is required to attend or elects to attend.

Reinstatement.

A student who has been expelled from school or from any activity of the school or receives no credit under this section, may request a hearing at which the student may present reasons why the student should be reinstated in the activity or school from which the student has been expelled or receives no credit. The hearing shall be an administrative hearing at which time the student and/or the student's parent or guardian may relate the reason for requesting the reinstatement.

Absentee Exemptions.

A student may request the Principal to grant - and the Principal may grant - in advance that absences may be exempt from the requirements of this section only for the scheduled medical treatment and deaths in the immediate family.

BAD WEATHER POLICY

When bad weather threatens, all schools are equipped with either a weather-band radio or the weather channel on television, which the administration monitors. During a tornado warning, all students are brought into the main building and arranged in the most secure manner possible. At the principal's discretion, students housed in portables are subject to movement into the main building at any time during bad weather.

Experience has taught us that we face major decisions about bad weather at dismissal time. For this reason, we want you to be fully aware of the basic guidelines we follow when bad weather occurs at or near dismissal time.

During a TORNADO WARNING:

- Buses and car drivers are not dismissed, and students are secured in the main buildings.
- Car riders are dismissed to their parents who wish to check them out, keeping in mind that it is difficult to locate a student quickly when you are in the middle of a storm drill procedure. We ask for your patience in this situation. (NOTE: Students are dismissed only to a parent or legal guardian during a weather emergency, unless prior arrangements have been made with the office.)

SNOW AND ICE/INCLEMENT WEATHER

This type of weather creates an entirely different problem because of its unpredictable nature. Since lost days must be made up; our philosophy is that we will have school unless or until conditions (icy roads, downed power lines) dictate otherwise.

We monitor the weather situation through our local news channel and the National Weather Service, local police departments, and District personnel.

In the event of inclement weather, the decision to cancel classes will be made by the Superintendent and relayed to local news stations and through our District Schoolcast System.

CELL PHONE POLICY

Students are not allowed to have or use cellular telephones, BlackBerries or pagers on school property during the school day. Penalties for violating this policy:

First Offense - The device will be confiscated and held for a minimum of five (5) days and a maximum of thirty (30) days. The parent/guardian must pick up the device. It will not be returned to the student. To obtain the device prior to the expiration of thirty (30) days, a fee of \$25 must be paid.

Refusal to give the phone and /or sim card or other device to the teacher or assistant teacher will result in an office referral for refusal to follow reasonable request.

Refusal to give the device including the sim card if applicable to the administrator will result in one day of Suspension. The student will not be allowed to return to school until the device (and/or sim card) is turned in to the main office.

Second Offense - The device will be confiscated and held for a minimum of ten (10) days and a maximum of ninety (90) days. The parent/guardian must pick up the device. It will not be returned to the student. To obtain the device prior to the expiration of ninety (90) days, a fee of \$35 must be paid.

Subsequent offenses - With each subsequent offense the minimum number of days that the device will be confiscated will increase by five (5) days, the maximum number of days that the device will be confiscated will increase by thirty (30) days and the fee will increase by \$10. For example, on the third offense, the telephone, BlackBerry or pager will be confiscated and held for a minimum of fifteen (15) days and a maximum of one hundred twenty (120) days. The parent/guardian must pick up the device. It will not be returned to the student. To obtain the device prior to the expiration of one hundred twenty (120) days, a fee of \$45 must be paid. These offenses will accumulate on a school year basis with a student beginning at the first offense at the beginning of each school year. (JCDC)

CHANGE OF CLASSES

Realizing the importance of proper course selection, the principal, counselor and teachers will advise students at the middle school level prior to and during pre-registration about needed selections in the curriculum. Any conflicts with scheduling will result in notification to the student during the summer, if possible. The policy for change of classes will be that based on educational demands and requirements. **Schedule changes made after school begins must be approved by the principal.**

CORPORAL PUNISHMENT

Certified employees only are authorized to paddle a student. Procedural safeguards are to be followed including written documentation and names of witnesses. All students enrolled in the Itawamba County School District are subject to corporal punishment. "Corporal punishment administered in a reasonable manner, or any reasonable action to maintain control and discipline of students taken by a teacher, assistant teacher, principal or assistant principal acting within the scope of his employment or function and in accordance with any state or federal laws or rules or regulations of the State Board of Education or the local school board does not constitute negligence or child abuse. No teacher, assistant teacher, principal or assistant principal so acting shall be held liable in a suit for civil damages alleged to have been suffered by a student as a result of the administration of corporal punishment, or the taking of action to maintain control and discipline of a student, unless the court determines that the teacher, assistant teacher, principal or assistant principal acted in bad faith or with malicious purpose or in a manner exhibiting a wanton or willful disregard of human rights or safety. . .Corporal punishment means the reasonable use of physical force or physical contact by a teacher, assistant teacher, principal or assistant principal, as may be necessary to maintain discipline, to enforce a school rule, for self-protection or for the protection of other students from disruptive students."

Effective October 18, 2005 parents/guardians will not be given the option to execute a written document stating that their child shall not be paddled and all documents executed prior to October 18, 2005 shall be null and void.

NOTES

- A. Failure to complete the punishment as designated will result in escalation to the next step in the ladder.
- b. Return to the office during the probationary period prescribed in the Discipline Step will result in escalation to the next step.
- D. In all cases of OSS or ISS, OR Alternative school assignment the student will lose privileges during the time of suspension. Loss of privileges means that during the time stated, the student cannot participate or attend assemblies or any school function designated as an extra activity, including athletic events, dances, plays,

extracurricular programs, field trips, school-sponsored activities, etc. This would include the entire 24-hour period of the suspension.

DELIVERIES

Due to the amount of time taken out of the instructional day and the danger of balloons, glass containers, flowers, and other obstructing objects at school and on the buses, the Itawamba County School District prohibits all deliveries of balloons, glass containers, flowers and other gifts and obstructing objects to school for students, faculty, or staff.

Essential school supplies, supplies or food for school functions, medicine, and other essential and necessary items approved by the school principal shall be delivered to the school office for pick-up or distribution to students, faculty, and staff. It shall be at the principal's sole discretion to determine whether such delivery is essential or necessary, and the principal may reject any delivery deemed to not be essential or necessary.

DISCIPLINE

DISMISSAL FROM CLASS

If a teacher finds it necessary to send a student from a classroom because of disruptive behavior, the teacher will notify the office that a student needs to visit the office for counseling or disciplinary action.

DUE PROCESS

The constitutional rights of students assure protection of due process. In the district schools, procedures guaranteeing due process will be followed in the exercise of disciplinary authority. For example:

1. Disciplinary authority shall be exercised with fairness.
2. A student shall be given the opportunity for a hearing if he decides to have one. The hearing would be held to allow the student to contest the facts upon which the disciplinary authority is acting. That hearing shall be governed by the following guidelines:
 - a. The administrator who will hear the student, generally the building principal, shall ascertain the facts; if the facts indicate the student's guilt, he/she shall review the designated punishment to determine its fairness.
 - b. The parents shall be present at the hearing.
 - c. A record shall be kept of the hearing.
 - d. The student and his/her parents shall be made aware of their right to appeal the decision of the administrator to either the Superintendent or the Board.
 - e. The findings of any hearing shall be reduced in writing and sent to the student and his/her parents.

DRESS CODE

ALL STUDENTS

The administration and staff of the ICSD recognize that students must be aware of the importance of acceptable standards of personal appearance as they move into the adult world. The school also recognizes that students are more productive when their appearance is "neat and conservative" as opposed to "sloppy and extreme." It is with these concepts in mind that the following regulations are set forth pertaining to personal appearance and grooming.

It is believed by the school that parents/legal guardians should recognize that the main purpose of public education is to provide an education for students that will allow them to become useful citizens in a global society. Thus, any disruptions or concerns caused by students as a result of dress will call for appropriate disciplinary action by the school.

Teachers must inform students regarding unacceptable attire. This must be done during homeroom period each day. The principal or designee must make judgments as to whether a student is properly groomed or dressed. The Itawamba County School District has a compelling governmental interest to establish a school environment which will promote a more effective climate for learning; aid students in concentrating on school work; uphold modesty standards; promote a campus atmosphere of respect, pride and self-esteem; instill students with discipline; promote a wholesome environment; and be safer for the students, faculty and staff; therefore, the Itawamba County School District adopts the following dress code for its students:

1. Students in grades 6-12 will not be allowed to wear shorts, tube tops, tank tops, muscle shirts, overalls, sweatsuits, jogging pants or windsuit pants.
2. No student will be allowed to wear any clothing, item or article that promotes or advertises alcohol or the consumption of alcohol or that promotes or advertises tobacco or tobacco use or that contains profanity or suggestive or obscene writing. Clothing that advertises casinos is prohibited.
3. No students will be allowed to wear excessively baggy pants. All pants must be fitted so that no illegal or unauthorized items may be hidden therein.
4. No student will be allowed to wear fatigue pants or shorts.

5. No student will be allowed to wear a trench coat.
6. No student will be allowed to wear suggestive or indecent clothing.
7. No student will be allowed to wear clothing with suggestive or obscene symbols, pictures, numbers or writing, either manufactured or handwritten. No fraternity jerseys or shirts shall be worn.
8. Undergarments of any kind shall not be visible.
9. Skirts or dresses shall be knee length or longer.
10. Hats, caps, hoods, bandanas, head covers or dark glasses may not be worn inside school buildings. Other articles which may interrupt the educational process may not be brought to school. Prescription sunglasses may be worn in the classroom upon order of a doctor.

DRUG AND ALCOHOL TESTING POLICY

In an effort to help protect the health and safety of students involved in extracurricular activities, including, but not limited to, any club, athletic, band, choral, cheerleader, and vocal program, and students who are afforded the privilege of operating or parking a motor vehicle on school property from drug and/or alcohol use and abuse; in an effort to help protect the health and safety of our whole student population, administration, faculty, staff and visitors from the potential dangers of being in contact with those who use and/or abuse drugs and/or alcohol; in an effort to prevent, deter and detect drug and alcohol use; and in an effort to reduce the use of drugs and alcohol, the Board of Education (the "Board") of the Itawamba County School District (the "District") adopts the following policy for drug and alcohol testing of all students in grades 7-12 who participate or seek to participate in extracurricular activities, including, but not limited to, any club, athletic, band, choral, cheerleader, and vocal program, and for all students who are afforded the privilege of operating or parking a motor vehicle on school property.

This policy applies to all students in grades 7 through 12 who are involved in extracurricular activities, including, but not limited to, any club, athletic, band, choral, cheerleader, and vocal program, and all students who are afforded the privilege of operating or parking a motor vehicle on school property. Additionally, any parent or legal guardian of a student in grades 7 through 12 who is not otherwise covered by this policy may voluntarily agree to have this policy apply to said student.

I. PURPOSE

The Board, administration, faculty and staff of the District desire that no student use or possess alcohol, use or possess illegal or performance enhancing drugs or abuse prescription medication. However, the power of the District is limited and therefore, this policy governs the use and possession of alcohol and illegal or performance enhancing drugs and governs the abuse of prescription medication by students participating in extracurricular activities, including, but not limited to, any club, athletic, band, choral, cheerleader, and vocal program, and students who are afforded the privilege of operating or parking a motor vehicle on school property.

The purpose of the Drug and Alcohol Testing Policy is to assist and help protect the student population, administration, faculty, staff and visitors of the District. It is not intended to be punitive or to bring hardship to the students. No student testing positive or otherwise being in violation of this policy will be penalized academically. Specific goals of this policy are as follows:

1. To create and maintain a safe, drug-free environment for students, administration, faculty, staff and visitors.
2. To encourage any student with a dependency on or addiction to alcohol or other drugs to seek help in overcoming the problem.
3. To help prevent alcohol and drug use by students of the District.
4. To educate students about the serious physical, mental and emotional harm caused by alcohol and drug use.
5. To reduce the likelihood of injury, damage, illness and harm that may arise as a result of alcohol or drug use.
6. To offer students school activities free of the effects of alcohol or drug use.
7. To minimize the likelihood that school property will be used for illicit alcohol or drug activities.
8. To provide reasonable opportunities for treatment and counseling for any student who uses or abuses alcohol or drugs.

Because of a genuine concern for the student population, administration, faculty, staff and visitors of the District, the District adopts this Drug and Alcohol Testing Policy effective beginning the 2006-2007 school year.

Additionally, all Covered Students are required to sign a STUDENT CONSENT FORM. In the event a Covered Student or their parent/legal guardian refuses to sign the required documents, that Covered Student will not be allowed to participate in extracurricular activities, including, but not limited to, any club, athletic, band, choral, cheerleader, and vocal program, and will be denied the privilege of operating or parking a motor vehicle on school property. (Copies of all forms are attached to this Drug and Alcohol Testing Policy.)

IV. REASONABLE SUSPICION TESTING

Any student who by reasonable suspicion is believed to be under the influence of drugs and/or alcohol shall be subject to being tested for drugs and/or alcohol. Reasonable suspicion must be based on specific and contemporaneous observations which are articulated concerning the appearance, behavior, speech or body odors of the student. The required observations shall be made by someone who has been trained for at least 60 minutes on alcohol misuse and an additional 60 minutes on controlled substance misuse. Any student who receives a positive test result from a reasonable suspicion test or any student who refuses a reasonable suspicion test shall be subject to discipline pursuant to the District's Discipline Policy.

V. IMPLEMENTATION

All drug and alcohol screening shall be implemented in accordance with this Policy by the administration and/or faculty of the District with the advice and assistance of representatives from the Drug Testing Company. The Contracting Agency shall be approved by the District and conduct drug and alcohol testing according to nationally accepted standards and procedures. All Covered Students will be tested for drugs and/or alcohol in an initial testing to be arranged by the District at or near the beginning of each school year. After the initial testing, any person in grades 7 - 12 who desires to participate in one or more extracurricular activities, including, but not limited to, any club, athletic, band, choral, cheerleader, and vocal program; or who is afforded the privilege of operating or parking a motor vehicle on school property; or who voluntarily participates in the Drug and Alcohol Testing program will be tested for drugs and/or alcohol prior to joining the extracurricular activity or prior to being afforded the privilege of operating or parking a motor vehicle on school property. The names of all Covered Students will be placed on a random selection list. The District will conduct randomly, unannounced testing of up to 25% of all Covered Students during the course of each calendar year. The Drug Testing Agency will provide computerized random sample lists to the Designated School System Representative. The list of students in the random pool will be updated periodically. The number of activities in which a student is involved will not increase the student's chances of being chosen at a random test. Each Covered Student's name will be placed on the random list only one time regardless of the number of activities in which the student is involved.

All testing will be done pursuant to this Policy. A Covered Student may not use his or her own medical provider or other means for testing.

VI. PROCEDURES FOR TESTING

Quality Control and Confidentiality Assurances

1. School officials and/or a technician from the Drug Testing Agency shall be responsible for the collection and labeling of the specimens.
2. Labels that include each student's testing number shall be used to identify the specimens.

4. The student's initials listed adjacent to the student's testing number shall indicate that the number is correct and matches the number affixed to the specimen bottle or container.

The District reserves the right to utilize blood, hair, breath, saliva or urinalysis testing procedures. Each specimen shall be analyzed for the presence of one or more of the drugs identified above in this policy, by the Contracting Agency.

The Contracting Agency shall report all results to the Medical Review Officer (MRO). The MRO will be responsible for reviewing the test results of the students and confirm that the individuals testing positive have used drugs, adulterated the specimen, or substituted the specimen in violation of the policy. Prior to making a final decision, the MRO may at his or her discretion, give the individual an opportunity to discuss the result.

The MRO shall then promptly tell the Designated School System Representative or his/her designee which student(s) test positive for drugs or adulterants or a substituted specimen. The District will then schedule a conference between the student and parent(s)/legal guardian(s) to discuss the positive test result.

For purposes of this policy, a positive result shall mean a test result, which indicated the presence of one or more of the listed drugs in the “Substances to be Screened” section of this policy in the student’s specimen, adulterated specimen, substituted specimen or a refusal to produce a specimen. The student will be given materials related to the effects of drugs and alcohol and related to drug and alcohol abuse prevention and treatment. It will be explained to the student's parent(s)/legal guardian(s) that the initial positive was not confirmed and that this could be for a variety of reasons, including, but not limited to, (a) the levels needed for a positive result by the Contracting Agency could be higher than the levels needed for a positive result on the initial test; (b) other medications may have caused a false positive; or (c) the student had a valid prescription of the substance that triggered the initial positive

FOOD SERVICE

The Itawamba County School District participates in the National School Lunch / Breakfast Program and therefore must meet USDA federal and state requirements. The District offers food choices to satisfy this requirement. All schools implement "offer vs. serve", which allows students to select at least three of the five meal components for their lunch. Extra foods are allowed with the purchase of a tray. Students who bring their lunches are allowed to buy milk. Only students who purchase a tray are allowed to purchase extra items. Students who wish to purchase more than one lunch tray will be required to pay the adult price for the second tray. USDA allows reimbursement for one meal per student.

PAYMENTS: Students are assigned a lunch number/account at the beginning of the school term. Prepayment is encouraged, and can be calculated by multiplying the number of days your child wishes to eat by the price of (breakfast/lunch). Payments for meals may be entered into a student's account on a daily basis using the following payment methods:

- **Cash**
- **Check**

Please put your child's name and/or lunch number on the memo portion of the check.

END OF YEAR INFORMATION: Beginning in mid May, student lunch accounts will not be allowed to go into a negative balance. Student account balances will automatically be carried over to his or her account for the next school year. A balance will also transfer from one school to the next.

CHARGES: Federal Law prohibits federally funded programs to accrue debt. The ICSD Food Services Department has a "NO CHARGE" policy for students attending middle or high schools. Any middle or high school student who gets a tray in the cafeteria must have funds available in his or her account or have cash/check in hand for the cashier. Elementary students are allowed to charge one lunch and one breakfast. Charges are allowed for elementary school students who have lost lunch money or failed to bring lunch money. Parents will receive written notification of the money owed, and are expected to repay the cafeteria on the next school day.

FREE & REDUCED MEAL APPLICATIONS

All schools participating in the National School Lunch and/or Breakfast program are required to serve free and reduced price meals to students of families whom, based on a current meal application, have an

income that is at or below the current eligibility income scale for free and reduced price meals. Meal applications may be picked up at any Itawamba County school site or the District office.

Current Meal Applications: In order for the District to provide students with meal benefits for the 2011-2012 school year, parents must complete and sign a 2011-2012 application for meal benefits. A new application must be filled out every year. Return only **ONE** application per family. It is best to return the application to your youngest child's school.

Returning students who qualified for meal benefits (*free or reduced meals*) last school year can eat on the same meal status for the 2011-2012 school year until **September 9** or until a new application has been processed. Students who have not returned an application and had it processed by **September 9** will have to pay full price for meals. Federal law does not allow a federally funded program to accrue debt; therefore charge policies will be enforced. Please make sure these students bring a lunch and/or have lunch money daily.

New and Kindergarten students must pay for meals until approval notification is received from the Child Nutrition office. Federal law does not allow a federally funded program to accrue debt; therefore charge policies will be enforced. Please make sure these students bring a lunch and/or have lunch money daily.

Incomplete, illegible, or incorrect applications cannot be processed. Therefore, student(s) on the application will have to pay full price for meals. PARENTAL INVOLVEMENT AND PARENTAL CLASSROOM VISITS

Parental involvement is an essential component in the successful student and in a successful school. Student success is very often driven by the degree that parents become involved in the educational process of their children. However, parents, counselors, administrators, the superintendent, the school board and local citizens must have confidence in classroom teachers and believe they are well trained, capable and willing to perform the job duties that they have been assigned.

Because of the safety of our students and staff and because of a high risk of interference with the educational process, parental classroom visits will only be allowed when the following protocol has been followed and shall be contingent upon the following regulations.

1. There should be day-to-day parent-child conversations to determine progress, deficiencies, etc. in the classroom.

3. There should first be correspondence from parent to teacher regarding parental concerns. Lines of communication between parent and teacher should always remain open. Communication avenues include, but are not limited to, written correspondence through the student, telephone calls, e-mail, etc.
4. There should first be a parent-teacher conference to discuss student issues/concerns.

Additional classroom visits would be at the discretion of the school principal in consultation with the teacher.

- An explanation of how the parents can become involved in addressing the academic issues that caused the school to be identified.
- An explanation of the parents' option to transfer their child to another public school (with transportation paid for or provided by the LEA), and, if applicable, the opportunity to access supplemental educational services.

On January 8, 2002, President Bush signed his education plan, *No Child Left Behind*, into law. The law united both political parties behind the principle that schools must be held accountable for their results and that every child must learn. As part of that law, low-performing schools are required to provide parents with specific information.

How is a school determined to be low- performing?

Under *No Child Left Behind*, every state must set the goals that each school must meet. If a school does not make adequate yearly progress for two consecutive years that school becomes identified for school improvement.

3 – TIER INTERVENTION PROCESS

The District has implemented an instructional model designed to meet the needs of every student. The model consists of three tiers of instruction.

Tier 1: Quality classroom instruction based on MS Curriculum Frameworks

Tier 2: Focused supplemental instruction

Tier 3: Intensive interventions (both academic and/or behavioral) specifically designed to meet the individual needs of students

The classroom teachers use progress monitoring information to (a) determine if students are making adequate progress, (b) identify students as soon as they begin to fall behind, and (c) modify instruction early enough to ensure each and every student gains essential skills. Monitoring of student progress is an ongoing process that may be measured through informal classroom assessment, benchmark assessment instruments and large-scale assessments.

If strategies at Tiers 1 & 2 are unsuccessful, students must be referred to the their school's Teacher Support Team (TST). The TST is a problem-solving unit responsible for interventions developed at Tier 3. Interventions will be:

- Designed to address the deficit areas;
- Research based;
- Implemented as designed by the TST; supported by data regarding the effectiveness of interventions.

After a referral is made, the TST will develop and begin implementation of an intervention(s) within two weeks. No later than four weeks after implementation of the intervention(s) the TST will conduct a documented review of the intervention(s) to determine success of the intervention(s). A second review will be conducted no later than 8 weeks after the implementation of the intervention(s) to determine whether the intervention is successful. No later than 12 weeks after the implementation of the intervention(s) a third review will be conducted. If the intervention(s) is determined to be unsuccessful, then the student will be referred to the school's Local Survey Committee to determine the need for a comprehensive assessment for special education services.

In addition to failure to make adequate progress following Tiers 1 & 2, students will be referred to the TST for interventions if any of the following events occur:

- A. Grades 1-3: A student has failed one (1) grade;
- B. Grades 4-12: A student has failed two (2) grades;
- C. A students failed either of the preceding two grades and has been suspended or expelled for

more than twenty (20) days in the current school year: or
D. A student scores at the Minimal level on any part of the Grade 3 or Grade 7 Mississippi Curriculum Test

Referrals to the TST must be made within the first twenty (20) school days of a school year if the student meets any of the criteria A-D above.

Itawamba County Schools – Acceptable Use Policy

Purpose

The purpose of the Internet Acceptable Use Procedures is to provide the procedures, rules, guidelines, and the code of conduct for use of technology and the information network in the Itawamba County School District.

Definition

The definition of information networks is any configuration of hardware and software that connects users. The network includes all of the computer hardware, network devices, operating systems, stored text, and data files. This includes e-mail, local databases, externally accessed databases, recorded magnetic or optical media, clip art, digital images, communication technologies, and new technologies as they become available. Stand-alone workstations are also governed by this acceptable use policy.

Introduction

The Itawamba County School District provides resources for teaching and learning, communication services, and business data services by maintaining access to local, regional, national, and international sources of information.

Members of the school community will use the Internet information resources with respect for the public trust through which they have been provided and in accordance with policy and regulations established by the school district. These procedures do not attempt to articulate all required or proscribed behavior by its users.

Unacceptable use activities constitute but are not limited to any activity through which any user:

1. Violates such matters as institutional or third party copyright, license agreements, or other contracts. The unauthorized use and/or copying of software are illegal.
2. Interferes with or disrupts other network users, services, or equipment. Disruptions include, but are not limited to: distribution of unsolicited advertising, propagation of computer worms or viruses, distributing quantities of information that overwhelm the system (chain letters, network games, streaming audio, p2p networks, etc.) and/or using the network to make unauthorized entry into any other resource accessible via the network.

Vandalism is defined as any attempt to harm or destroy operating system, application software, or data. Obscene activities shall be defined as a violation of generally accepted social standards for use of a publicly owned and operated communication vehicle.

3. Itawamba County Schools will adhere to the Child Internet Protection Act and to No Child Left Behind Legislation

Disciplinary Action

These acceptable use procedures are applicable to any employee of the school district and refer to all information resources whether individually controlled, shared, stand-alone, or networked. Disciplinary action, if any, for students, staff, and other users shall be consistent with the district's standard policies and practices. Where use of external networks is involved, policies governing such use are also applicable and must be adhered to. Violations can constitute cause for revocation of access privileges, suspension of access to school district computers, other school disciplinary action and/or appropriate legal action. Exact disciplinary measures will be determined on a case-by-case basis.

BULLYING

The Itawamba County School District does not condone and will not tolerate bullying or harassing behavior. Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property (including a school bus), at any school-sponsored function or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and/or teacher of such class as a whole.

The Itawamba County School District will make every reasonable effort to ensure that no student or school employee is subjected to bullying or harassing behavior by other school employees or students. Likewise, the District will make every reasonable effort to ensure that no person engages in any act or reprisal or retaliation against a victim, witness or a person with reliable information about an act of bullying or harassing behavior. The District encourages anyone who has witnessed or has reliable information that a student or school employee has been subjected to any act of bullying or harassing behavior to report the incident to the appropriate school official.

The Itawamba County School District directs the superintendent or designee to design and implement procedures for reporting, investigating and addressing bullying and harassing behaviors. The discipline policies and procedures must recognize the fundamental right of every student to take "reasonable actions" as may be necessary to defend himself or herself from an attack by another student who has evidenced menacing or threatening behavior through bullying or harassing. Furthermore, the Itawamba County School District defines "reasonable action" as promptly reporting the behavior to a teacher, principal, counselor, or other school employee when subjected to bullying or harassing behavior.

CROSS REF: SB 2015 AND MS CODE ANN. 37-7-301-(e)

Students and employees in the Itawamba County School District are protected from bullying or harassing behavior by other students or employees. It is the intent of the Itawamba County Board of Education and the administration to maintain an environment free from bullying and harassing behavior. This complaint procedure

provides a process for filing, processing and resolving complaints of such conduct. Adherence to these procedures is mandatory. The failure of any person to follow these procedures will constitute a waiver of the right to pursue a complaint at any level, including review by the Board.

I. DEFINITIONS

Bullying or harassing behavior is any pattern of gestures or written, electronic or verbal communications, or any physical act or any threatening communication, or any act reasonably perceived as being motivated by any actual or perceived differentiating characteristic that (a) places a student or school employee in actual and reasonable fear of harm to his or her person or damage to his or her property, or (b) creates or is certain to create a hostile environment by substantially interfering with or impairing a student's educational performance, opportunities or benefits. A "hostile environment" means that the victim subjectively views the conduct as bullying or harassing behavior and the conduct is objectively severe or pervasive enough that a reasonable person would agree that it is bullying or harassing behavior. Bullying or harassing behavior will not be condoned or tolerated when it takes place on school property (including a school bus), at any school-sponsored function or when it takes place off school property when such conduct, in the determination of the school superintendent or principal, renders the offending person's presence in the classroom a disruption to the educational environment of the school or a detriment to the best interest and welfare of the pupils and/or teacher of such class as a whole.

The complaint shall be investigated promptly. Parents will be notified of the nature of any complaint involving a student. The District official conducting the investigation shall notify the victim and parents as appropriate when the investigation is completed and a decision regarding disciplinary action, as warranted, is determined.

Any elementary student may "charge" lunch two (2) days. Students with more than two charges on their record will be served a cheese sandwich, fruit, and milk on that day and every day after until the charges are paid. **NO BREAKFAST CHARGES ARE ALLOWED.** If needed, Free and Reduced Lunch Forms are available in each elementary principal's office. **NO** breakfast or lunch charges are allowed for secondary students. Free and Reduced Lunch Forms are available in each secondary school office. Students who bring lunch from home may buy milk and/or ice cream products only. Adults may purchase a full meal or any portion of a meal.

A student will lose driving privileges for five days upon receiving the second excessive tardy (8th tardy) to school. The student will surrender the parking decal, and will purchase a new parking decal upon reinstatement of driving privileges. Administrative discretion may include suspension of driving privileges for the remainder of the school year, additional discipline, and/or a revision of a student's schedule.

Driving privileges are revoked for 5 tardies in a semester.

All fines should be paid before students take final examinations

The Itawamba County School District board policy does not allow for charging meals. If a student should incur \$15.00 of charges, the child at that time will be provided, out of courtesy, a sandwich with milk. Parents will be notified of any cafeteria charges incurred.

SCHOOL PARTIES

Each homeroom class is permitted to have a Christmas, Valentine's Day, and end-of-the-year party during the school year. The principal must authorize any other party. For safety reasons, homemade baked items are not permitted. All food items must remain in the commercially sealed package or container.

No student will receive a transcript or credit from the office if all lost books or fines have not been paid. Neither will the student be issued books in this school or any public school without a card showing that they are clear on all books and fines.

BILLS, DUES, AND FEES

It is the parent's responsibility to pay student debts such as charged lunches, workbooks, driver education fees, lost or damaged textbooks or library books, or damage to school property. Failure to do so may result in legal action being taken against parents.

A maximum of three (3) charged meals are allowed for elementary students. Middle school students will be allowed one charge. Charge letters will be sent home with the student twice a week. These charges must be paid before the student may charge again. No charges are allowed for high school students and adults. We encourage all students to prepay their lunches. This will eliminate the student having to remember lunch money each day. It also helps the students move through the line faster so they will have more time to eat.

Attendance at school sponsored social events may be limited to students in good standing.

For any excessive tardy, the administration reserves the right to review a student's schedule and make adjustments, if necessary.

A student with an outstanding textbook fee/fine or other monies owed from a previous school year will not be issued textbooks for a current school year until the fee/fine or other monies are removed from the student's record.

Car trouble, personal and/or family errands, failure to awaken, failure to be awakened by a family member, or a family member assuming responsibility for a late arrival to school or to the first scheduled class are not examples of an excused tardy.
