

KINDERGARTEN LEARNING PACKET

TABLE OF CONTENTS

- Page 1 High Frequency Word List (Review daily with your child)
- Pages 2-7 Cut the cards apart. Have student say what the picture is. Student should match the picture with the letter it starts with.
- Pages 8-9 Trace the letters in the picture. Color each page.
- Page 10 Draw a picture of something you have been doing while out of school. Write 1-2 sentences about your picture.
- Pages 11-13 Story and Questions—*What is a Farm?*
- Pages 14-16 Answer Key to Story
- Page 17 Number Fluency Page (Follow directions on page)
- Pages 18-24 Math Practice Sheet (Answer sheets follow)

High Frequency Words

This is a complete list of high frequency words that we have covered or will cover this school year. Your child should be able to read each of these words by May.

a	he	play
and	help	put
are	her	said
as	here	saw
at	his	see
be	how	she
but	I	that
by	in	the
can	is	they
come	it	to
do	like	too
does	little	want
for	look	was
from	me	we
go	my	what
good	not	where
had	of	who
has	on	with
have	or	you

Directions: Cut the cards apart. Say the name of each picture. Pair it with an uppercase letter card or lowercase letter card that matches the beginning sound.

apple

bell

cow

dinosaur

elephant

fish

goat

hammer

inch

juice

koala

ladder

moose

Directions: Cut the cards apart. Say the name of each picture. Pair it with an uppercase letter card or a lowercase letter card that matches the beginning sound.
Note: Match a letter to the ending sound of box.

nail

octopus

pig

quarter

ring

sock

turtle

umbrella

vest

walrus

box

yo-yo

zebra

Directions: Cut the cards apart. Name each letter. Sort letters by shape (for example, find all circle letters), match uppercase and lowercase letters, or match their sounds to the picture cards.

A	B	C	D	E
F	G	H	I	J
K	L	M	N	O

Directions: Cut the cards apart. Name each letter. Sort letters by shape (for example, find all circle letters), match uppercase and lowercase letters, or match their sounds to the picture cards.

N	O	P	Q	R
S	T	U	V	W
X	Y	Z		

Directions: Cut the cards apart. Name each letter. Sort letters by shape (for example, find all circle letters), match uppercase and lowercase letters, or match their sounds to the picture cards.

a	b	c	d	e
f	g	h	i	j
k	l	m		

Directions: Cut the cards apart. Name each letter. Sort letters by shape (for example, find all circle letters), match uppercase and lowercase letters, or match their sounds to the picture cards.

n	o	p	q	r
s	t	u	v	w
x	y	z		

Hidden Letters

Trace the shaded lowercase letters in the picture.
Color the picture.

a b c d e f g h i j k l m

Hidden Letters

Trace the shaded lowercase letters in the picture.
Color the picture.

a b c d e f g h i j k l m

Grade K Story-Writing Grid

The grid consists of four identical horizontal rows. Each row is bounded by a solid top line, a dashed middle line, and a solid bottom line. The rows are spaced evenly down the page, providing a template for writing a story.

What Is a Farm?

Agricultural Research Service

A farm

What is a farm? A farm is a place where people grow plants to use. Plants grown on a farm are called crops. Crops can be vegetables. They can be fruits. They can also be grains, like rice.

Farms can also raise animals. Many farms raise chickens. Farmers get eggs from them! Cows can also be raised on farms. People get milk from these cows.

It takes a lot of space to grow crops and raise animals. So farms are often in places where there aren't too many people. In the U.S.A., most farms are in the middle of the country.

Name: _____ Date: _____

1. What do we call a place where people grow plants?

2. What are crops?

Empty rectangular box for student response.

Empty rectangular box for student response.

3. Why might farmers raise chickens?

for eggs

for milk

4. What do farmers get from cows?

eggs

milk

1. What do we call a place where people grow plants?

2. What are crops?

3. Why might farmers raise chickens?

for eggs

for milk

4. What do farmers get from cows?

eggs

milk

5. Give an example of a crop.

Crops can be _____.

fruits, vegetables, or grains (rice).

6. What did you learn from "What is a Farm?"?

Answers may vary but should be supported by the text.

7. Draw a picture of a farm.

Drawings may vary but should depict a large piece of land. The best pictures will show crops growing on the farm or animals (i.e. chickens or cows).

Number Fluency 0-20

Practice naming the numbers. Make it a game by setting a timer and work on beating your time with each round.

17 6 2 14 4 20 12 10 16 13
